

Company Name: AltHub

Software Name: Invisage

Company Website: <https://althub.com/>

Type of Software: Data Transformation, Alternative Investments

Description: AltHub's Invisage is a data transformation platform that enhances and transforms raw data into ready-to-use products for investment and corporate users. The platform utilizes machine learning to test various use cases, generate signals, and verify the insights derived from the data. Built as a sales enablement platform, AltHub supports all sales and marketing workflows while elevating the presentation of data.
